How did you hear about our Massage Therapists? _____

I understand that a massage therapist provides the massage/bodywork I receive for the basic purpose of relaxation and relief of muscular tension. If I experience any pain or discomfort during the session, I will immediately inform the practitioner so that the pressure and/or strokes will be adjusted to my level of comfort. I further understand that massage and bodywork should not be construed as a substitute for medical examination, diagnosis, or treatment and that I should see a physician, chiropractor, or other qualified medical specialist for any mental or physical ailment of which I am aware. I understand that massage/bodywork practitioners are not qualified to perform spinal or skeletal adjustments, diagnose, prescribe, or treat any physical or mental illness, and that nothing said in the session should be construed as such. Because massage/bodywork should not be performed under certain medical conditions, I affirm that I have stated all my known conditions, and answered all questions honestly. I agree to keep the practitioner updated as to any changes in my medical profile and understand that there shall be no liability on the practitioners part should I fail to do so. I also understand that any illicit or sexually suggestive remarks or advances made by me will result in immediate termination of the session. Lastly, I authorize instructor observation and demonstration of techniques if so warranted.
